Dear Param,

We want to thank you for your outstanding contribution during your internship, you have been a fantastic team member who is smart, diligent, and hard working. Your team has been very appreciative of you for your contribution. We found you very creative, and you indeed were able to think out of the box.

Your specific involvement in Project Minerva in the field of Artificial Intelligence, Deep Learning, Adversarial attack, and Robustness was commendable. Your knowledge, ideas, and effort helped us a lot. Your ability to do quick experiments and prototyping in a structured manner is appreciated.

Your dedication to work has resulted in innovative ideas for the company to validate new business potentials.

We sincerely thank you and wish you good luck for the future!

Regards,
